

Testimonials Ensenada trip Jan 28 – 29, 2006

“Jim, thank you for another wonderful weekend. I appreciate your organization, enthusiasm, and sincerity so much. I come back to San Diego completely refreshed and happily exhausted. I would love to go over and over again. What a great trip you have created! My pictures from this trip seem to have come from a different perspective and I’m getting to feel a little friendlier towards my digital camera.” Phyllis Weiss, San Diego, CA

“You lead a great trip. It’s well-paced, well-planned, offers wide variety of subject matter and locations with your technical guidance. Accommodations and restaurants are well-chosen and your trips attract a great group of people – good low-key leadership style! I loved your relations with locals along the way- very enriching. Great value for the money. Great trip, Jim!!” May Ellen Kaschub, Los Gatos, CA

“When I signed up I wasn’t sure what to expect, but the trip surpassed my expectations. Some of the locations (the boat ride in particular) I would have never thought of doing by myself. I’m definitely interested in another, longer trip.” Paul Sewell, Chula Vista, CA

“Jim, we had the BEST time this past weekend. It was such a great experience for us. Even with my point and shoot camera, I went outside of my comfort zone of taking pictures of people and got some nice shots of places and abstracts. We had a great time meeting everyone. What a fun group!.....I can’t wait to see everyone’s photos!” Sara Denton, San Marcos, CA

“The trip is an outstanding value; I have recommended it to several of my friends already. Thanks for putting together the photo-sharing party last evening.....I learned so much from your comments and seeing how the other people look at things. I Hope to be able to take another one of your trips in the future. Thanks again.” Jim Ochi, San Diego, CA

“I did get some really good shots, I’ll e-mail you a few. I learned a lot on that trip, thank you so much for sharing your knowledge, I have even passed on some of your tips whilst shooting with other photographers!” Gail Nichols, Santa Cruz, CA

“Awesome trip! Bummer I was too tired to go out after dinner the first night, but that means the trip was great!” Bob Gilbert, San Diego, CA
